

Dear MTYC Family and Friends,

As you are well aware, the Coronavirus has changed all our lives, our economy, our health system, and our places of worship. It is with deep regret that after much discussion, research, and prayer, the MTYC Board of Directors have decided to cancel all Home School and Summer Camp weeks for 2020.

The factors that have influenced this decision are:

1. Our commitment to comply with Government restrictions such as:
 - “Stay at Home order”
 - Social Distancing
 - Limiting Gathering (currently 10 people or less)
 - Local Restrictions such as Permits and Certifications
2. The Safety of all involved: Campers and Staff
3. The unknown duration and extent of the pandemic
4. Medical advice involving best practices

In light of the decision to cancel the 2020 Camp season, MTYC will refund all camp fees (Including Registration fees) **in full** to those who have already registered and paid.

Our prayer is for everyone to remain safe and in good health during this trying time

For additional information concerning future 2020 camp utilization and retreats please refer to our website www.mtyc.org or Facebook.

On behalf of the MTYC Board of Directors,

In His service,
