2021 COVID-19 Screening Questionnaire

As you are aware, the spread of Coronavirus in the United States in 2020 and 2021 has affected all aspects of our lives. However, we are so thankful that the virus has been waning for the last several months, allowing MTYC to move forward with summer camp. Our priority at **MTYC** remains the safety of our campers, staff, volunteers and everyone that comes to Mountain Top Youth Camp. Our responsibility starts by trying to ensure the camp facilities and environment remains safe for those present. To that end, we would like for this form to be completed prior to exiting your car and proceeding with check-in.
